Exceptional Service Without Exception

## Same Day Respiratory Therapy Support for your piece of mind....

*Are you experiencing a reduced  
census?*

*Do you need to improve your quality of  
service?*

*Are your training resources limited to give  
your staff the latest skills and techniques?*

*Is your referral source and patients tired of  
unplanned discharges back to the hospital?*

If you are experiencing one of more of these  
challenges, let ProCaire partner with you to  
offer professional and comprehensive  
Respiratory Therapy Services.....

**24 hours per day—7 days per week &  
365 days per year!**
